**Adorable!**

By KookIe Krum

This book is so creative! The plot has a depth I didn't expect from a short story- I was kept wondering & contemplating until the reveal at the end. The conclusion is endearing & beautifully illustrated (I especially like the dancing cat!). I love the texture & minute detail on every page, & especially the use of watercolor. I've been a fan for years & can't wait to see more! :)

**Great Book for Children and Beautiful Illustrations**

By JNSPRT

Not only are the illustrations in this book beautiful, they fit the story and help young readers understand the context of the text. The story provides a great opportunity to teach your children about being a friend and serving others without seeking recognition. It is a fun and delightful book.
