Gresh* as the bridge. Starting to have reading practice can be gone through from various methods and from alternative kinds of publications

Review

What others are saying . . .

Dannah has tasted the pain and regret of opening God's good gift of sex before its proper time. She has also experienced the sweet healing, freedom, and joy of walking in repentance, forgiveness, and grace. Her message is one every teen girl—and each of their moms—needs to hear. I'm so thankful for the way she is allowing God to use her story, grounded in His Word, to speak into the lives of young women. God is using her to speak into the lives of young women in an engaging and powerful way. I wish I could persuade every teen girl—and every mom—to read this book. ~ Nancy Leigh DeMoss, co-author with Dannah Gresh of *Lies Young Women Believe*

Dannah challenges young women to say "yes" to what the white wedding dress represents. In a warm, easy-to-read style, she counters the message of this sex-crazed culture with priceless pearls of truth. ~ Mary A. Kassian, author of *Girls Gone Wise in a World Gone Wild*

I admire Dannah Gresh in so many ways. Her ministry is moving; her writing is relevant; she is a role model to women of all ages and seasons of life. As a survivor, speaker and author on the topic of sexual abuse, I constantly see and hear firsthand the pain of sexually broken and I understand the deep need for Dannah's message. The re-release of her best-seller *And The Bride Wore White* is an answer to the cry of our culture. This book is a timeless classic that will bring healing and hope to all generations. ~ Nicole Bromley, speaker & author, *oneVOICEenterprises*

I first read *And The Bride Wore White* when it was an unpublished manuscript and I was a freshman in college. I devoured it in a single setting and the lessons I learned made a huge impact on my life. As a woman who has now been married more than a decade I still remember and cherish the lessons Dannah presents in this book. Dannah does what other authors do not by moving beyond God's call to purity and outlining a plan to make waiting possible and desirable. This book gave me the blueprint to build a pure marriage, a gift that I am eternally grateful for. Consider *And The Bride Wore White* a must read for every girl who's ever

dreamed of a pure and holy marriage. ~ Erin Davis, author of Graffiti: Learning to See the Art in Ourselves

The loss of virginity is not simply a physical state of being, but effects the emotional, mental and spiritual lives of every girl. Which is why I appreciate Dannah Gresh and her passion to see girls not only value their virginity, but why they ought to do so. With vulnerability, humor and grace, this book provides girls with the tools they need to take ownership of their bodies, minds and hearts. ~ Crystal Renaud, author of Dirty Girls Come Clean

Human sexuality is at the center of most of the bitter cultural struggles being waged in our day. Far too many young women don't know right from wrong when it comes to their bodies and their minds because they have bought into the low moral standards promoted on television and in contemporary movies and music. In a friendly, personal manner, Dannah Gresh helps her readers understand that sexuality is a beautiful gift from God and that He intends it to be reserved for marriage. I highly recommend *And the Bride Wore White* to any young woman who wants God's best for her life. ~ Richard Land, President, Ethics & Religious Liberty Commission & host, For Faith & Family Radio

Dannah has a fresh way of sharing important truths we need to hear. In an age of moral decline even among our church youth, this message is needed now more than ever. Give Dannah your ear. You won't be disappointed. ~ Anita Lustrea, host/producer, Midday Connection

As a mother of two teenage daughters, I cannot think of any book more beautifully inspiring than *And the Bride Wore White*. My daughters loved Dannah's insights, her humor, and her call for a life without regrets. I am deeply grateful for the realistic role model she is for my daughters...She has changed their lives, and in doing so she has changed mine. ~ Tammy Maltby, author and co-host of Emmy-nominated *Aspiring Women*

Purity Speaks Boldly Preparing Your Tongue for Dates

10-4 It pays to do things the hard way, which is the case more often than not when you seek the Lord's will. My relationship with Bob Gresh is more unique and special than it ever has been. There are not any "I love yous," there are no physical displays how than when those things were present. It's not easy. There are days I don't share with him and yet I'm so thankful that the Lord has given us the wisdom to patiently wait for His timing.

11-13 I argued with Bob tonight. No, we didn't fight, but we enthusiastically debated our views. I never even knew I had it in me. Debate is somehow stimulating. In fact, if we hadn't been disagreeing, I'd have been laughing.

I laid down my journal, having read the slow progression of several months of a relationship I was treasuring. Our hearts, which for a few weeks were so easily read and unguarded in our passion, had relinquished to an unspoken determination by our heads to progress slowly/painfully slowly.

However, there was a sense of an upcoming reward to the pain of waiting. I wasn't afraid in this relationship

because I was not entirely vulnerable. I felt no risk of becoming overly physical because that was in no way a part of our relationship. And best of all, there were still some incredible moments ahead of us. I did not realize it, but I was about to experience one of them.

I glanced at the clock and realized it was time to meet Bob at my dorm lobby. He met me, escorted me to his car, and got in. As we drove away, the conversation picked up where we'd left off the last time we'd been together. We had a pace of our conversation. It was aggressive and determined. We had no awkward pauses as we wondered what to say next. We were on a mission to chisel into each other's minds and were using words as our primary tool.

Suddenly, he stopped the car. I noticed the soft January snowflakes for the first time and felt the hush of a fresh snowfall embrace our car. It was as if time had suddenly stopped.

He reached over and tenderly kissed the tip of my nose, barely brushing my lips as he pulled away.

"This is as far as I want any physical contact to go between us," he whispered and then drove on. We were silent for the first time in months. I pondered the unspoken words he had not used to charge me with a great task. I heard him. He was asking me to keep talking. I did.

The tongue is a powerful tool. James compares it to the rudder of a great ship. With just this little instrument, you can set your course for a direction toward something great or toward the perils of an iceberg.

Though somewhat of an introvert, I found that keeping my lips loose kept my relationship headed toward greatness. I've seen a trend as I counsel young women in their relationships. Author Robert Wolgemuth spoke of it in his book, *She Calls Me Daddy*. He said that young women who have learned the art of conversation are less likely to be caught in compromising physical situations. Why? "First, assuming that boys will nearly always be the aggressors, {you'll} know how to openly express {your} commitments to purity and fears of the consequences of premarital intimate contact. Second, young lovebirds usually choose between talk and the back seat. They don't do both simultaneously." If you truly desire to live a lifestyle of purity, you'll learn the secret of speaking boldly.

AND THE BRIDE WORE WHITE: SEVEN SECRETS TO SEXUAL PURITY BY DANNAH K. GRESH PDF

With over 250,000 copies sold, reviewers continue to rave about *And the Bride Wore White: Seven Secrets To Purity*. But the greatest proof of its effect is in the lives of tens of thousands of young women who've embraced the book's message.

Each chapter of *And the Bride Wore White* begins with a narrative of Dannah Gresh's young love life, taken from her own teenage journals. She transparently shares her struggles and successes, her moments of pain followed by healing, and the moments of triumph. This story-line grips the young reader while they learn statistically proven risk-reduction factors. The end result are usable "how-to-say-no" skills that can reduce the risk of a young woman's heart being broken by sexual sin.

In this update, Dannah and her friends share open letters of encouragement to young women, one to those who chose life and another to those who chose abortion, one to teen girls addicted to pornography and another to girls who have experienced sexual abuse, and many more specific to a young woman's unique circumstances.

Not just a "don't"- a "WHY"

By Amy L Conner

Every woman should read this book. Especially if you have daughters. No matter where you are in your life, as a young unmarried woman, a wife/mom, or even a grandmother Dannah's words will speak to your heart. I bought this book for my 16 yr old sister and found that even as a happily married wife and mom, I couldn't put it down. All my life I'd heard the "don't" message and although there are plenty of compelling reasons often mentioned (STD's unwanted pregnancy ect) the most compelling of all was missed. I found it in these pages. The most compelling reason to strive for purity is the reward. Purity is holding your hunger at bay, anticipating the incredible feast God has created in marital love. Purity is getting and staying focused on the goal- and like Dannah says it is a process. Why on earth would you choose cheetos when you have a banquet prepared and waiting! If you didn't know what the banquet was all about your hunger might get the best of you- For many of us it did. I cried when I finished this book thinking of how my life might have been different if only someone had given me this book when I was 16. But after the mourning came healing. Read this book. Give it to your daughters, your sisters, your granddaughters... God will bless you all.

Not just an abstinence message

By maria telegraphis

Before meeting Dannah I had already heard the abstinence message. The message that I had heard told my generation not to have sex because we just shouldn't. Reasons for waiting was so we didn't have to experience STD's, unwanted pregnancies, and multiple heartaches. Often the message would be given by someone who had long since experienced the temptation of premarital sex. It was almost if the married speakers would be bragging because they could do something that we were not yet allowed to. When I went to one of Dannah's retreats I knew that there was something different about her and her message. Her message was one of love, making you able to connect with her. She said that purity is a process, you do not wake up one morning and are pure, and you don't just lose it through an act. Purity is much greater and has to be cultivated through your relationship with Christ. By saying that purity is a process, she was also saying that just because you are married does not mean you are done with working on purity. When she admitted that she put herself on our level and was no longer someone who had it all figured out, but someone who understood what we were going through. She also used her personal stories to help us understand that she is not to condemn us but to identify with us. It is how she identifies with us that makes us want to hear what she has to say. Dannah also makes it extremely clear that the reason why God wants us to wait is not to spoil our fun, but to give you the best sexual experience later. God loves His children to have sex, but only in the proper setting. He wants you to wait not so you can be deprived of sex but so that you will not be deprived of what sex is supposed to be. How can that holy act that is meant to bring two people and make them as one, be as holy if it has occurred with others and out of the context of marriage? Dannah also makes us realize that God does not set up these standards and then leaves us but is with us every step of the way. She reminds us that God is always there for us even if we had premarital sex. His forgiveness outweighs our failures and he can always make us pure again. I would highly recommend this book because it encompasses everything that is in her retreats. My generation has to understand that they are precious in God's eyes and that He wants us to save sex so we can be the happiest later in our lives. Dannah Gresh does a beautiful job in drawing her readers closer to God so that He can tell them what He needs them to hear.

A junior high youth leader's perspective

By teachercampbell

I bought this book to "skim" for information that I could use for my junior high youth group girls. I couldn't stop reading! I stayed up late to read to the very last page.

The nonfiction text is full of true accounts from all kinds of girls and women and that kept the pace of the

book very readable. While some nonfiction can get bogged down in details and over-explaining, Dannah Gresh is a gifted storyteller and uses beautiful language with a gentle, encouraging style.

I found this book extremely helpful for use in our church's junior high youth group. Since that time, the author has put together a leader's guide, but I made my own lesson plans based on the book and it was a wonderful experience!

I did find, though, that the junior high girls didn't read it as voraciously as I had. Their older, high school sisters loved it, so I'd say the reading level is 9th or 10th grade.

I highly recommend this book!

Purity Speaks Boldly Preparing Your Tongue for Dates

10-4 It pays to do things the hard way, which is the case more often than not when you seek the Lord's will. My relationship with Bob Gresh is more unique and special than it ever has been. There are not any "I love yous," there are no physical displays how than when those things were present. It's not easy. There are days I don't share with him and yet I'm so thankful that the Lord has given us the wisdom to patiently wait for His timing.

11-13 I argued with Bob tonight. No, we didn't fight, but we enthusiastically debated our views. I never even knew I had it in me. Debate is somehow stimulating. In fact, if we hadn't been disagreeing, I'd have been laughing.

I laid down my journal, having read the slow progression of several months of a relationship I was treasuring. Our hearts, which for a few weeks were so easily read and unguarded in our passion, had relinquished to an unspoken determination by our heads to progress slowly painfully slowly.

However, there was a sense of an upcoming reward to the pain of waiting. I wasn't afraid in this relationship because I was not entirely vulnerable. I felt no risk of becoming overly physical because that was in no way a part of our relationship. And best of all, there were still some incredible moments ahead of us. I did not realize it, but I was about to experience one of them.

I glanced at the clock and realized it was time to meet Bob at my dorm lobby. He met me, escorted me to his car, and got in. As we drove away, the conversation picked up where we'd left off the last time we'd been

together. We had a pace of our conversation. It was aggressive and determined. We had no awkward pauses as we wondered what to say next. We were on a mission to chisel into each other's minds and were using words as our primary tool.

Suddenly, he stopped the car. I noticed the soft January snowflakes for the first time and felt the hush of a fresh snowfall embrace our car. It was as if time had suddenly stopped.

He reached over and tenderly kissed the tip of my nose, barely brushing my lips as he pulled away.

"This is as far as I want any physical contact to go between us," he whispered and then drove on. We were silent for the first time in months. I pondered the unspoken words he had not used to charge me with a great task. I heard him. He was asking me to keep talking. I did.

The tongue is a powerful tool. James compares it to the rudder of a great ship. With just this little instrument, you can set your course for a direction toward something great or toward the perils of an iceberg.

Though somewhat of an introvert, I found that keeping my lips loose kept my relationship headed toward greatness. I've seen a trend as I counsel young women in their relationships. Author Robert Wolgemuth spoke of it in his book, *She Calls Me Daddy*. He said that young women who have learned the art of conversation are less likely to be caught in compromising physical situations. Why? "First, assuming that boys will nearly always be the aggressors, {you'll} know how to openly express {your} commitments to purity and fears of the consequences of premarital intimate contact. Second, young lovebirds usually choose between talk and the back seat. They don't do both simultaneously." If you truly desire to live a lifestyle of purity, you'll learn the secret of speaking boldly.

As one of guide collections to propose, this *And The Bride Wore White: Seven Secrets To Sexual Purity By Dannah K. Gresh* has some strong factors for you to review. This book is really suitable with just what you need now. Besides, you will certainly also enjoy this publication *And The Bride Wore White: Seven Secrets To Sexual Purity By Dannah K.
