I am very disappointed.

By Bridgette da Silva

The price does not reflect how little content is on the CD's. I am very disappointed.

Bad content, but good and speedy shipment

By Matthew diamond

Very little content and ONLY has a speaker saying the word lists in book out loud. Kind of useless in my opinion as we can look up the word in an online dictionary and listen to it there.

It may help for some but the shipment was speedy. Thank you!
