Wonderful compilation of Mason's first five years!

By Patti Hart

Okay... I'm Mason Mastroianni's mom ... so of course this review will be glowing! But as Johnny Hart's daughter, I know funny and I know artistic genius and, believe me, Mason is gifted with both!

My other son, Mick Mastroianni, is an incredible writer and Mason uses many of his gag ideas.

They work together so well ... Dad always said the two of them would do something great together one day!

Funny, it took him leaving us for that day to come

The three of us, along with my sister Perri and my mom, Bobby (Queen Ida), work together everyday keeping the legacy alive!

We miss you, Dad can't believe it's been 5 years already.

The boys are doing you proud!
