HIGHLY RECOMMENDED!!!!!!!!!!!!!!!!!!!!!!

By Thomas Norman III

There are not enough words to explain the enjoyment I got out of reading this book. I took it to read while I was on cruise to Central America to places like Belize, Honduras, and Cayman Island. Everything the author spoke about in relation to black labor and capitalism I witness first hand as I traveled these countries. This book made me realize more than ever the need for Africans all over the diaspora to raise our sights and learn how to make the laws of capitalism work them opposed to being crushed by them. This is a must read for every African-American and every African in the diaspora. **HIGHLY RECOMMENDED READ!!!!!!!!!! A MUST HAVE FOR THE SHELF! A BOOK THAT SHOULD BE READ AND DISCUSSED IN BLACK BOOK CLUBS ALL OVER THE U.S!** It will raise your conscious level. **BUY, BUY, BUY!**

Working While Black

By Carole

This small book explains what I have seen throughout my 40 years of work life. It pulls it all together into one concise package. It also gives a plan for improving the working life and economy of the Black communities around the country. This is a good read for a quick study.
