Great information

By Gary D. Palmer

This is information that you need. Most men don't even know what they are. Read this and it's companion booklet, "Where Do the Dead Go?" This is scripture teaching that you won't find in most commentaries. Read the book, look up the Bible references and get ready to have your understanding opened to real truth.

How many know....

By Shirley Masaoka

How many know they are divided into three parts? Dr. Ruckman explains the parts of man, and how they relate to this world and how Satan has prevented most from knowing the three parts and what each part does/is connected to. Before a Christian becomes a Christian, he/she is a body-what one can see-with a soul-our wants, desires, and emotions-and with a dead spirit; dead because it isn't connected to God via Jesus Christ. After becoming a Christian, they are now spirits-connected back to God via the Holy Spirit residing there and due to choosing Jesus Christ as his/her Savior, with a soul and body. But now their conscience is awoken. He teaches what we feed becomes strong; what we neglect becomes weak. He also tells which "part" goes where at death and what happens even after death!
