It doesn't take Jane very long to be unfaithful to Brian, the wedding night in fact, and that sets up a chain of events that lead to Brian's life of femdom servitude and cuckoldry, and Jane's incarnation as a hotwife – roles which they both seem to inhabit comfortably, so perhaps they were right for each other after all.

This story contains scenes of femdom cuckoldry, sissification and humiliation, interracial, group public, and gay sex. LGBT BDSM.

Extract-

" 'Come on' Cathy said; 'let's get you out of those wet things.' I felt my trousers being unzipped and pulled down, while at the same time Cathy's hand 'accidentally' brushed against my cock, and I felt it hardening- 'sorry love' she said. Before I knew it my trousers and pants were off, and I was manoeuvred through another door – straight into the garden, where a spotlight dazzled me as I was sat in a chair and my hands were tied to the arms with stockings, while a pair of women's panties were stuffed into my mouth. Ahead of me, illuminated by the spotlight, Jane was on all fours on a low table.

'Jane's told us how you're a cuckold who's turned on by this sort of thing,' Cathy said, 'and by the look of things she's right.'

'I'm no such thing' I tried to splutter through the knicker gag, but I looked down as my erect cock gave the lie to this. What seemed a small crowd began to cheer and shout insults. I watched as several men, beginning with Dennis, took it in turns to fuck my wife, until Cathy shouted 'what about hubby – don't leave him out.' Dennis came towards me grinning – he was naked from below the waist and his huge, ebony cock gleamed in the light with Jane's juices – while my erection grew a couple of centimetres.

'Here you go, mate – have a suck on that, give it a good clean for me.'

Jane looked up from her vigorous fucking and shouted, 'yes, suck him off you sissy faggot, that's an order.' I obediently opened my mouth wide to take the man's thickly glistening cock, and taste Jane's womanly essence on its massive shaft. Then, every bloke, after he had fucked Jane, came over for me to suck his cock and lick it clean."

An all right bit of fun with a happy ending

By Sally Bend

This was an all right bit of fun - Cuckolded On My Wedding Night was a little rushed and a little light on details, with the best parts summarized towards the end, but still enjoyable.

Oh, sure, hubby is a little too willing to open up and clean his wife's black lovers the first time he's so ordered, but his willingness to be exploited as a sissy slut later on explains a lot. I quite appreciated the fact that it was all about sexual satisfaction as well, without any sort of humiliation or degradation (which, to be honest, Sarah Millward does well).

I think what makes it all worthwhile is the happy ending, where hubby acknowledges that even if their marriage got off to a shaky start, it worked out well for both of them.
