Hampi :Discover The Splendours Of Vijayanagar

By Vasudha A

This book turns into deep insight into the spirit of a once great city. It explores all its customs, diversity and ends up providing the reader with all information on India's rich cultural heritage. Photographs by Clare Arni is a compliment to this book. The pictures of the various monuments and the rocky environs of Hampi are really stunning. The book changed my attitude to history. This book makes history come alive with detailed and interesting descriptions of Vijayanagar's culture, art, life and greatness. Splendid photos from Hampi make the readers wonder nostalgically about the lost golden past this site represents. Though Vijayanagar was destroyed by invaders, the writer shows that the kingdom's contribution to Indian culture can never be really forgotten. An amazing book with brilliant pictures ! A truly fascinating book.

The Glory of Hampi

By Aparna Thomas

India has no shortage of great heritage sites. But there is something special about Vijayanagar, one of the most legendary kingdoms in Indian history. Hampi, one of the World Heritage Sites of the UNESCO, is home to the ruins of this magnificent kingdom that thrived for three hundred years. Subhadra Sen Gupta's book on Hampi gives the readers fascinating information about the wealth, power, art, architecture and culture of Vijayanagar. The photos by Clare Arni capture the glory of Hampi's finest pieces of architecture and sculpture. While reading this book I felt that I was visiting Hampi and looking at its beauty. This book is a very good example of how history can be made exciting to the readers. I would like to go to Hampi soon and I think that proves the writer has succeeded in her aim of attracting people to Hampi.
