HOW TO HOUSE TRAIN YOUR FRENCH BULLDOG: EASY TO FOLLOW INSTRUCTIONS FOR BOTH YOU AND YOUR FUR BABY BY MATS TARNING PDF

Have you got or want a French Bulldog Puppy this is the book for you.

House training a Frenchie is quite easy. It does require paying attention in detail , being patient, praising your puppy and developing a predictable routine. But with these four components, your Frenchie puppy will be house trained in no time.

If you are new to house training a puppy, then this is a must read book.

How To House Train Your French Bulldog Puppy will give you insight into how puppies think and act so you can get an understanding of your new family member. That sound strange perhaps but this "dog" is now a member of your family and should be treated as one.

Just remember, you need to have patience and understanding when house training your Frenchie puppy. This does not happen over a couple of days but doing it right will increase the bonds between you and your fur baby. Once you have successfully house trained your puppy, you are in for years of wonderful companionship and unrequited love.

quick guide for any puppy

By Minamint

I would have liked to read more specific ideas for the French bulldog. This was basically a general guide for any breed. I did learn a few new things but would have like specific information like as to the benefits of using a harness instead of a collar and do you leave it on them in the crate while being potty trained. Another thing, is it OK to have the puppy on the couch with you and should they have a ramp to get off to go to the door to be let out? I certainly wouldn't want them jumping with those short legs! What type of bedding is best to reduce Frenchie snoring. I did like that the book was short and easy to read. I will use it as a reference.

Helpful Guide to new puppy owners

By Amazon Customer

A very helpful guide especially for a new dog owner like me. I saw this book while browsing in one of my favorite Facebook Page "French Bulldog Lovers", and they said that it is a good read so I tried. I like the idea

that they used the actual pictures send and shared to them by people who like their page. I know, because I liked most of the pictures there most especially the white rescued French Bulldog puppy. All in all, I find this eBook very easy to read and a really nice reference in house training your puppy.
