## Review

"I like the inclusion of the historical documents, and note that the Bumsted reader is relatively unique in this regard... There is much material to play with here and instructors are, of course, free to utilize it - or not - as they see fit. In the end, the text offers instructors a good deal of freedom in terms of pedagogical approach... The text offers the instructor the power of versatility and the comfort of utility." --Sharon Myers, University of Prince Edward Island

"The articles provide good regional representations, which are presented within a clear overview of major political and cultural change since Confederation." --Nancy Janovicek, University of Calgary

"There is keen attention to race, class, gender, but with important updates such as looking at 'masculinity' or social history of war." --Sharon Jaeger, Wilfrid Laurier University

## About the Author

J. M. Bumsted (retired) was Professor of History at St John's College, University of Manitoba, for over 30 years.

Len Kuffert is Associate Professor of History at the University of Manitoba. His current work is on radio in English Canada.

Michel Ducharme is Assistant Professor of History at the University of British Columbia. His current research is focussed on British North American colonies (1749-1873); Canada and the Atlantic World, the history of Quebec; and liberalism and nationalism in Canada and Quebec in the nineteenth and twentieth centuries.

# **INTERPRETING CANADA'S PAST: A POST- CONFEDERATION READER BY J.M. BUMSTED, LEN KUFFERT, MICHEL DUCHARME PDF**

Interpreting Canada's Past: A Post-Confederation Reader is a supplemental book and the second of two volumes. It includes both primary and secondary documents. This volume is designed to accompany J.M. Bumsted's two-volume textbook *The Peoples of Canada* or his single-volume text *A History of the Canadian Peoples*.

This edition contains two primary documents and two historical interpretations in each chapter, except in Chapter 7, which contains six examples of visual primary documents and two historical interpretations, making the book much shorter than the third edition. Thus it will be easier for instructors to incorporate these readings into coursework. Each chapter also includes an introduction to help contextualize the documents, a list of questions for consideration, and a list of suggested further readings.
