LESLIE MARMON SILKO'S CEREMONY: A CASEBOOK (CASEBOOKS IN CRITICISM) FROM OXFORD UNIVERSITY PRESS PDF

Leslie Marmon Silko's *Ceremony*, the most important novel of the Native American Renaissance, is among the most most widely taught and studied novels in higher education today. In it, Silko recounts a young man's search for consolation in his tribe's history and traditions, and his resulting voyage of self-discovery and discovery of the world. The fourteen essays in this casebook include a variety of theoretical approaches and provide the reader with crucial information, especially on Native American beliefs, that will enhance their understanding and appreciation of this contemporary classic. The collection also includes two interviews with Silko in which she explains the importance of the oral tradition and storytelling, along with autobiographical basis of the novel.

Great teacher helper

By Steve Schlesselman

I read Silko's *CEREMONY* for the first time a year ago and began considering teaching it for my AP students. When I happened upon this Casebook, I bought it before even reading any reviews, knowing it would benefit us by exposing us to several different perspectives. And it has. The introduction is helpful in that it briefly outlines each of the essays in the book. I was a bit taken back when the author reveals that *CEREMONY* was once thought to be too difficult even for college students, but I felt that my high school students need to be exposed to this beautiful piece of literature, and this book has made the journey much easier. I have only shared some of the ideas expressed so far. Paula Gunn Allen's "Special Problems in Teaching Leslie Marmon Silko's *CEREMONY*" informed us non-Native Americans that some consider Silko's use of their stories objectionable. We gain much insight into the Native culture that helps us appreciate even more the power and beauty of her book. Buy this now even if you aren't teaching the book. You might learn something, and maybe even change your perspective on it.

Wonderful!

By Roberta Baer Schimmel

Insightful explanations amplified my understanding! "Ceremony" one of my all-time favorites and Leslie Marmon a gifted writer-explains all of the cultural differences between native Americans and caucasians.
