Fantastically fun!

By Bill G

I bought this book as a gift...and then had to buy one for myself. I really couldn't put it down it was so much fun. The author has a gift for telling non-fiction stories in a manner that makes it read like great fiction. I learned more about famous people here than I did in many biographies, and all the way had fun doing it. It's a book that's very hard to stop reading. I wish it were longer!
