Save Your Money
By R. A. Miller
This is only a 39 page document and its content is readily available in the documentation and tutorials at MongoDB.org for free.

0 of 0 people found the following review helpful.
Approx 20 pages with examples
By Amazon Customer
Not really a book, but the samples can be usefull if you are new into MongoDb with C#. I guess it's a fair price, although i expect you could find similar guides online at no cost at all.

Not bad for the price
By Jonathan Miller
Little text mostly examples. Would've been nice to have a few more samples. It was a good start for me.
