POOR LITTLE DADDY'S GIRL (THE DADDY'S GIRL SERIES) (VOLUME 3) BY NORMANDIE ALLEMAN PDF

Twenty-four-year-old Charmaine Bainbridge appears to have it all—beauty, fame, and tremendous wealth—yet behind all the glitz and glamor hides a sad little girl who has been abandoned by every man she's ever loved.

When firefighter Hunter Baldwin saves Charmaine from a fire in her penthouse apartment—a blaze started by her own carelessness—he's appalled by her nonchalant attitude. Forced to carry her to safety, he throws her over his shoulder, but not before correcting her behavior with a well-deserved spanking. Something about Charmaine arouses him deeply, and it isn't just her gorgeous looks. This girl needs to be firmly corrected and thoroughly dominated, and a part of Hunter demands that he be the one to take her in hand.

Though he's used to charging into burning buildings on a daily basis, Hunter knows taming Charmaine's wild ways may prove to be his greatest challenge yet. Undeterred, he takes on the role of Charmaine's daddy dom in hopes of breaking down her defenses and healing her wounds. But can she bring herself to open her heart to him, or will she remain the lonely little rich girl forever?

Publisher's Note: Poor Little Daddy's Girl is the third book in the Daddy's Girl series. It incorporates characters from the first two books in the series, but it is a stand-alone novel. This book includes spankings, sexual scenes, BDSM content, and more. If such material offends you, please don't buy this book.

Poor Little Daddies Girl

Review by Heidi Lynn

Thank you to NH Kuhn and Normandie Alleman for providing with an advanced copy of this book so I could bring you this review. Poor Little Daddies Girl by Normandine Alleman had me cracking up laughing at some of Charmaine's and Hunter's dialog. Who says, "Who peed in your Cheerio's?" My favorite line was "You know you're about as much fun as a colonoscopy with no drugs." Charmaine is your typical

wealthy, spoiled brat who gets into trouble and is only famous to be famous. She is lonely, on a destructive path, and dates all the wrong men for her. That is until Hunter a hunky firefighter rescues her from her apartment fire. The apartment is not the only thing that sparks a flame! I love how Normandie describes all the naughty scenes between the two characters. As they say firefighters find them hott and leave them wet! That is exactly what these two characters did! Poor Little Daddies Girl by Normandie Alleman gets 4 out of 5 hot steamy kisses from me.

A nice surprise.

By Kitty ranma

This is by far the best book of the series so far. A definite keeper. The first two were ok I liked them. This one goes the extra mile as it were. There's a few things I started to say, but I back spaced I HATE SPOILERS. The voice reader or whatever you call them was good as well.

Best One So Far!

By Joanne Jones

Right where do I begin apart from saying THANK YOU NORMANDIE!!! This book is her best so far and written so well.

So let me begin my review of this deliciously hot addictive read and I mean oh my god this is smoking hot that even I felt like fanning myself hehe

I've always said that Daddy's Game by Normandie was my go to for a naughty read and that it was my favourite but Natron and Carmen...you gotta go!! Because there is a new couple in town and they are taking over everything!

In this book we have the very 'oh god lord' handsome Hunter, he is a firefighter we met in Daddy's game and he is also the big gorgeous hero who saved Charmaine after she was a very careless naughty girl!! I will continue about Hunter but first can I just say that I think Hunter is the best Daddy so far!! Just putting that out there lol

This book had me at start to finish and it's my favourite one now because these two made me laugh and made me blush but also made me weep.

Hunter firefighter with a taste for dominance in the bedroom, but never found someone who he could be his true self with but he is also kind and funny, he is someone you can trust and he would never lead you down the wrong path. Along with all of that is his mouth is like a sailor at sea hehe he is a very crude talking dirty man!!

Charmaine is a rich spoilt party girl who mainly loves to drink and do all the wrong things for herself but her love for her close friends is lovely to read, she cares so deeply for them and that is enough to call family but she is missing out on one thing and that is companionship!

I wasn't a big fan of her in Daddy Morebucks but in this one I loved her, now I know what's happened and reading her thoughts and feelings, I've seen her in a different light and I think she should get all the happiness in the world.

All in all, this is a great read for anyone who has all different kinks up their alley, Normandie done it again and wrote a brilliant book and one that will be my go to. I can't wait to read more by her.
