A Dynamic Daily Devotional

By Richard R. Blake

Myles Munroe challenges the reader to examine and develop the rich, valuable untapped resources locked away within. "Potential For Every Day" provides daily devotional reading with selected scriptures for each day of the year. Each reading includes a reminder of a potential principle.

These readings help you, the reader, to explore your gifts, abilities and successes, to develop our thoughts, ideas, and possibilities. A compilation of stories and illustrations drawn from the Bible, from history, and from contemporary provide encouragement to trust God on your journey.

An outline of the six keys to the effective release of the wealth of your potential are introduced to help you become what God intended. I appreciated the format of the book that frequently summarized my progression so far and a preview of what to look for in the days ahead.

The blank pages for reflection were helpful and aided me in planning for future reflection and journaling on a regular basis.

"Potential For Every Day" is a dynamic devotional tool to help you become your best. This is a book for Christians in every stage of their walk with the Lord. Fresh, energizing, and powerful!
