THE CATCHING KIND (BREW HA HA) (VOLUME 3) BY BRIA QUINLAN, CAITIE QUINN PDF

Hailey Tate thought she was worth more than a straight flush.

Apparently not.

When camera-shy author Hailey Tate's agent loses a bet and brokers a deal, it leaves Hailey in the last place she wants to be: backed into the corner of Publicity and Paparazzi. Now, thanks to her girl-next-door image and role as pretend girlfriend to a womanizing shortstop, she's getting the attention she always managed to avoid.

Connor Ryan is not only America's Sexiest Athlete, he's also the current Bad Boy of Baseball. But when he goes a base too far, management wants to bench him...permanently. One thing he never counted on? Falling for his sweet, fake girlfriend. He's the guy who can catch anything and now she's next on his list

4 "I love when an author turns the hero around" stars!

By Amanda Clark

What do you ultimately say about a book that had no sex, very little physical contact between the MC's and a low angst threshold but still convey how much you enjoyed the book?

Having read the first book in this series, I can tell you that this author has a pattern of writing sweetly clean yet exciting and tension filled romance. It's what sold me on that book and what I mainly enjoyed about this one too, aside from how she turned her hero from Douche to Darling . This is the classic "Enemies to lovers" story. Both Hailey and Connor are set up by their agents to fix his tarnished image and to get her some exposure for her writing. Connor is a famous baseball player and Hailey writes YA paranormal stories. They are like oil and water but for the duration of a few months they must get along and be seen in public together to satisfy their respective deals with said agents.

It's pretty self explanatory. They hate each other almost instantly. Connor comes across as a HUGE prick in the beginning when they first meet and I am so thankful that I wasn't in a PMS mood when I started this or the Red Dragon would have prevented me from giving him a chance. Connor turned out to be fabulous. He was charming (Which pissed Hailey off and added deliciousness to the story) laid back and very thoughtful it turned out. Hailey tried so hard to use his reputation as a ladies man to keep her safe from him but what can you do? Hailey was spunky and sarcastic and that's always a plus for me in the heroine department. They build a sweet foundation based on mutual respect and friendship, didn't play any games with each other and had an adorably, almost PAINFULLY sweet romance. It was a gradual build that took time to come to fruition but like I said... I enjoyed it very much. I'm an intensely moody reader and sometimes I want to read a book without all the thrusting, grinding and slobbering.

And now I know I can turn to Caitie Quinn to fill that role when I need it. I read this one out of sequence but I'm excited to be getting to the rest of the books in this series. You won't find saccharin sweetness here but you will find two rock solid main characters surrounded by a cast of amazing secondary people who bring out the best in them and a whole bunch of smiley swoony goodness

Worthy of future rereads

By Amazon Customer

My favorite of the series. For me it was not only worthy of a reread but to be added to my "favorites" collections, which means an every other year reread at a minimum. I always love this authors writing. I'm also a fan of the "girlfriend of convenience" trope. Together it was a hit out of the park for me. I thought both characters were funny and witty. The heroine was completely relatable to me. The characters were well developed. It had EVERYTHING I love in a Rom-Com. Can't wait for the next story in the series!

Stuck in the "Friend Zone"

By Trevelyan

Not even for a minute did I think Connor was into Hailey.

I can see them being comfortable from the time they spent together but nothing more than that.

There was absolutely no passion there. Straight up "Friend Zone" stuff.

I don't really feel like it was romance.

Not worth the money.
