This book's ending now has me uber depressed =(

By Elizabeth J.

I absolutely LOVED the first two books in this series. I think maybe I had too high of hopes for this one to deliver the same (or greater) feelings as the previous two. There's tragedy, sorrow, depression, loss, loss, and more loss in this story. I never felt a lift from it. And Eve's attitude and decisions on how to deal with problems just straight up ticked me off. Lucien was just ramming his head into a brick wall the whole time. Their relationship went from being super "awwww"-worthy to "Omg, Lucien should just give up on her already!" Pretty sad that I reached that level of frustration with it. =/ But who knows? Maybe the next installment will redeem all that. I'm assuming there will be one since there were MAJOR plotlines left unresolved.

Good verses Evil

By Riley

I have enjoyed reading this series. This last book was great at keep ones attention & pretty well written. The cliff hanger ending is one that I don't quite care for. Granted it does leave you wanting to know what's going to happen next, will Eve & Lucien make it? Who is & what is Tom? Is that a battle they will fight & win? Will Eve get better, considering all the world depends on it even though it appears she's only a shell of a person now?

There's so much left undone I personally find it frustrating with so many loose ends.

Could not put down!

By Heather Abbasoglu

Was so excited to get The Devil's Soldier on it's release date and continue the story of Eve and Lucien, fighting to strip vampire Boaz of his total all domination bringing the Supernatural world exposure to the human race. Eve determined to defeat Boaz must face the power of Alarica and the contained powers held within the necklace without losing herself in the process, with the risk of all being lost to the hands of evil. Once again, Rachel McClellan pulls you in! Dare I hope for book #4!!
