Review

“Firestone and Catlett have written a valuable and well-researched, solid contribution to the field of ethics....the authors have provided an illuminating mirror, with optimism and hope for correcting that which ails us as individuals and society as a whole.” (Bioethical Inquiry)

About the Author

Robert W. Firestone is a clinical psychologist, author and artist. Dr. Firestone was in private practice of psychotherapy from 1957 to 1979. In 1979, he joined the Glendon Association as its consulting theorist. Dr. Firestone’s major publications include *The Fantasy Bond*, *Compassionate Child-Rearing*, and *Fear of Intimacy*. His studies of negative thought processes led to the development of an innovative therapeutic methodology described in, among other titles, *The Wisdom of Psychotherapy* and *Sex and Love in Intimate Relationships*. In collaboration with his daughter, Dr. Lisa Firestone, he developed three assessment instruments: The Firestone Assessment of Self-Destructive Thoughts [FAST], The Firestone Assessment of Suicide Intent [FASI] and the Firestone Assessment of Violent Thoughts [FAVT], for adolescents and adults, soon to be published (2008) by the Psychological Assessment Resources [PAR].

Joyce Cattlett author/ lecturer, is the co-author of, among others, *Fear of Intimacy*, *The Wisdom of Psychotherapy* and *Sex and Love in Intimate Relationships*. She has collaborated with Dr. Robert Firestone in writing twenty-five professional articles and eleven books. Since 1982, she has lectured on child abuse prevention and couple relations. She has co-produced forty video productions for the Glendon Association in the areas of parent-child relations, suicide, couple relations, and Voice Therapy and she developed and trained instructors in the *Compassionate Child-Rearing Parent Education Program* throughout the U.S., Canada, and Costa Rica. She is a member of the American Association of Marriage and Family Therapists and a frequent presenter on the topic of the critical inner voice and its implications for self-destructive behavior on an individual’s interpersonal relationships.

It can be the one that really love reading.

THE ETHICS OF INTERPERSONAL RELATIONSHIPS BY ROBERT W. FIRESTONE, JOYCE CATTLETT PDF

Author, artist, and clinical psychologist Robert W. Firestone and collaborator Joyce Cattlet dig deep into the psychology of destructive behavior?both its source and how it manifests itself in personal relationships between men, women, couples, and families, and in the social arena.

They posit that if we can understand the source of aggressiveness and learn to cope with the urges it impels, we can better rear future generations and improve mental health practices in general. This position offers a hope of altering what many people consider to be humankind's basically unethical nature.

Excellent Book

By Profligacy

This book is my bible for understanding my own issues and the way I approach things. Let's face it, how we handle the world is a learned behavior acquired at an early age. Understanding limitations in my own methods and seeing alternatives is both comforting and informative in regard to accepting myself and others.

If you are a novice student of psychiatry this is the book for you.

Five Stars

By Neera Saxena

One of the most important books I have ever read.

7 of 7 people found the following review helpful.

Wise and insightful

By Dr. Ayala Pines

I was deeply moved by Robert Firestone's and Joyce Catlett's inspiration for writing this wise and insightful book. Each chapter is full of information and new insights, and the book as a whole points the reader to "a more satisfying and effective mode of existence, a lifestyle based on a non-defended, vulnerable, and feelingful approach to life." I whole-heartedly recommend the book to all readers, professional and lay alike, who are concerned with the deterioration of basic human ethics evident all around us.
