“Each writer’s new collection is a bracing meditation on mortality...Ms. Cruz’s poems are an ecstatic overdose of language and emotion...Her razor-wire stanzas in *The Glimmering Room*, even better than her fine debut, *Ruin* (Alice James Books, 2006), are full of too-young desolation angels, ‘the other almost-girls’ and ‘the boys who want to die.’...This powerful poetry is a heart offering by way of Ms. Cruz’s ancestor-sisters Emily Dickinson and Sylvia Plath.”—Dana Jennings, *New York Times Review*

## **Review**

“...to read these poems is to continually plummet...*The Glimmering Room* is a savage and stunningly coherent collection that turns the so-called ‘post-confessional’ mode on its head.” (Cate Marvin)

“Cruz’s characters...are perpetually on the edge of oblivion. Only the intensity and sympathy of Cruz’s attention keeps them from passing over into disaster.” (Joel Brouwer)

Fierce and fearless, *The Glimmering Room* beckons readers down into the young speaker's dark underworld, and because we are seduced by Cruz's startling imagery and language rich with "Death's outrageous music," we follow willingly. Peopled with "ambassadors from the Netherworld"—the orphaned and abused, the lost and addicted—Cruz leads us through this "traveling minstrel show / Called girlhood—" which is at once tragic and magical.

Painful

By Mariam

When I was reading these poems (filled with drugs, violence, pain, sex, hospitals, confusion) I found myself re-living every agonizing moment in my life. I was just so in tune with the troubled psyche of the narrator and my own. It was really interesting for me to meet the author, Cynthia Cruz, because she is not anything like what you imagine when you read her poems. I thought she was going to be this goth chick with wild hair and dark circles under her eyes. She was actually one of the sweetest and gentlest poets I have ever met. So I

liked her poems, but I just can't rate them 5 stars because it was really hard for me to read them all in one sitting. They put me in a really dark place.

Der Blaue Reiter

By mrc

In Cruz's *The Glimmering Room* there becomes a bridge from one version of existence to another. Some places are uncomfortable and a little scary. Metaphor and image become primary and visceral, beautiful and abrupt. These poems are *Night Train* meets creation, and each poem gives more with each reading, a *Der Blaue Reiter* impressionistic gift. *Die Brücke*.

Cruz's poems are singular and powerful and original. This is an important book by a gifted artist.

Exciting step into the danger zone

By Gregg Taylor Banter author of *Wolves and Wildflowers*

These poems ride the dangerous rails between beauty and decadence . Or is it the magical beauty of debauchery that Cruz is able and talented enough to pull off. An exciting step into the danger zone. An attention to the color and beauty of language , an attention to the beauty of the rhythm of the language . Lean as can be, yet containing the whole story.
