Stewart is created for public as well as you are just one of them which could take pleasure in reading of this publication [The Middle East Today: Political, Geographical And Cultural Perspectives By Dona J. Stewart](#)

Review

'This textbook provides a clearly written, concise introduction to the modern Middle East. Short, easy-to-digest pieces are augmented by textbooks and maps, exploring all aspects of the region from politics and government, to history, geography, and various cultural perspectives. While perhaps too advanced for some high school students, this book would find a home in Advanced Placement or International Baccalaureate classes or libraries meant to support them, and is also suitable for many university level survey courses on the middle east' - Middle East Outreach Council, Honorable Mention, Fall 2009

About the Author

Dona J. Stewart is the director of the Middle East Institute at Georgia State University. She is a specialist in the human and political geography of the Middle East and a former Fulbright scholar to Jordan. Her research interests also include urbanization and land-use change, especially in Egypt.
